

1945

Extract from SCI Munich Semi-Monthly Operation Report, 15 August:

4. PENETRATION PROGRAM:

B. PROPOSED AGENTS

(1) AUTOMATIC ARREST CATEGORY

- (e) BEETZ, Frau Hildegard. XYZ-1 Form was submitted on 11 August 1945. Upon approval it is planned to place Frau BEETZ in Munich where she will renew her social contacts and look for strategic employment. Because of her GIS background and excellent control factors it is felt that she will be extremely valuable here. Meanwhile she is still engaged at Lucky 13 in the exploitation of Dr. Wilhelm HOETTL. Her cooperation in this case has yielded excellent results; a proper evaluation of HOETTL having been made possible through her reports.
